

# EDUVATE

improvement of Your technical skills is our mission

The background of the lower half of the page is a blue geometric pattern. It features a central perspective view of a grid of lines that recede into the distance, creating a sense of depth and structure. The lines are white and set against a solid blue background.

# 2022

**EDUVATE PORTFOLIO**

# About us

*Eduvate is an elite of engineers that have experiences In Electrical engineering Field Their aim is to provide technical support and assist students and fresh graduated engineers To reduce the gap between theoretical and labor market*

**+3000 student graduated from EduVate Training programs  
Science 2020**

## Our Mission

Facilitating the Contact Between Undergraduate Engineering Students, Fresh Graduates and Professional Engineering Market Specialists to Increase Their Awareness About Market Competition and Market Needs in Order to Help Them Lead Their Tracks and Develop Their Career Paths.

---

## Our Vision

Our vision is to be a leading training provider in the Egypt offering innovative and high-quality learning experiences for both learners and businesses. Guided by our core values, we are focused on excellence and aim to elevate apprenticeships to the highest possible levels of attainment. Our developing partnerships with Undergraduate Students and employers are key to achieving this aim and to ensuring that every learner has the opportunity to reach their full potential in a safe and supportive place to learn.

# Company Values

**Quality:** Quality and raising standards are paramount in everything that we do. Through our partnerships with Students and employers, we aim to offer high quality programs that both challenge and stretch our learners throughout their chosen apprenticeship. The quality of teaching and learning at our placements is a top priority and with robust quality checks and ongoing support,

**Innovation:** Innovation is at the heart of everything we do, from designing and delivering training solutions that raise the profile of work-based apprenticeships, to incorporating new ways of making our programs. Keeping up with the development.

**Value:** We provide training solutions for students and employers designed to meet their needs, offering excellent value both financially and materially. From the feedback we have received from learners and businesses, our training has had a considerable positive impact on companies and careers.

**Experience:** Our managers and staff have extensive knowledge and experience and are kept up to date through their Continuing Professional Development, standardization and regular training. We understand the value of excellent relationships with employers to encourage and support the best possible training and delivery models.

**Recognition and Celebration** – Celebration of our shared achievement is important and motivating for us all. Additionally, we actively encourage participation and involvement in pursuing both learner and employer excellence, through the achievement of national and local awards.

## EduVate Activities:

EDUVATE believes in its social role and always Trying to play an active role in the development of the society and the engineering community.

Online Lectures about the latest technology on our different social media channels

Design competitions between students' Free workshops in engineering universities  
Providing gifts and free courses for outstanding students  
Supporting and participating in scientific conferences

# OUR TEAM

**MOHAMED RIZK**  
Chief Executive

- Senior design engineer at ECG
- BIM coordinator
- Over 6 years of experience in structural design field.

**MOSTAFA MOHSEN**  
Chief Operating

- Senior design engineer at ECG
- Over 6 years of experience in structural design field.

**MAHMOUD MANSOUR**  
**INSTRUCTOR**

- Senior design engineer at ECG
- Over 8 years of experience in structural design field.

**AMR ABD-ELWAHED**  
**INSTRUCTOR**

- Senior design engineer at ECG
- BIM coordinator
- Over 8 years of experience in structural design field.

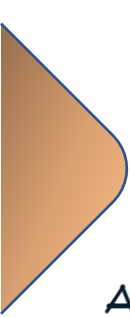

**MAHMOUD ABD-ELSHAKOUR**  
**INSTRUCTOR**

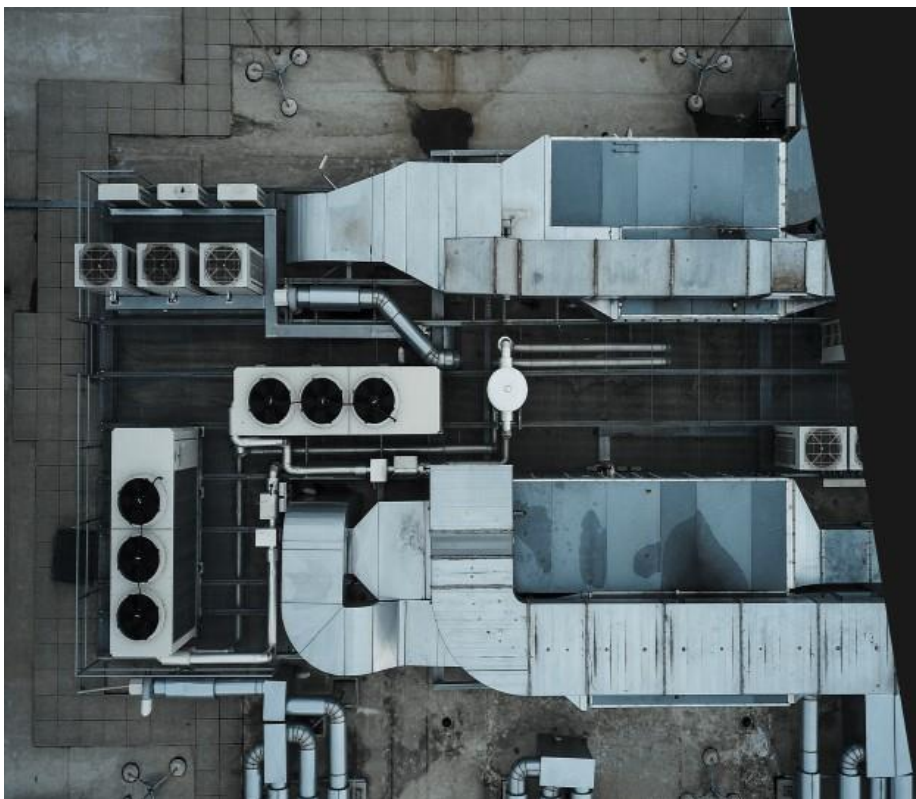

- Senior design engineer at ECG
- Over 6 years of experience in structural design field.

**AHMED ADEL**  
**INSTRUCTOR**

Senior design engineer at Khatib & Alami  
Previously worked as Design engineer at AMG  
Previously worked as Design engineer at Strong-Force Post  
Tensioning.  
Over 8 years of experience in structural design field.

# OUR TEAM

**ENG: AHMED M. SHUHAYB**

- Co-founder and Technical Manager for **Ahmed Shuhayb Office Engineering Consultant**.
- Technical Consultant for Engineers Company for **Electromechanical Works**.
- Mechanical Consultant** Engineer for Center for Studies, Research and Engineering Consultation at **Mansoura University**
- Technical Consultant for **Triple View**.
- HVAC Design Engineer at **Air Expert in KSA**.
- MEP BIM Engineer at Design up for **Integrated Work**.
- BIM Engineer at **Tasneem Group**.
- MEP Training Instructor , Provide training for +1000 Engineer.
- Autodesk Certified Professional at **Revit ® Mechanical**

**ENG: AHMED M. SHUHAYB**

- Co-founder and Technical Manager for **Ahmed Shuhayb Office Engineering Consultant**.
- Technical Consultant for Engineers Company for **Electromechanical Works**.
- Mechanical Consultant** Engineer for Center for Studies, Research and Engineering Consultation at **Mansoura University**
- Technical Consultant for **Triple View**.
- HVAC Design Engineer at **Air Expert in KSA**.
- MEP BIM Engineer at Design up for **Integrated Work**.
- BIM Engineer at **Tasneem Group**.
- MEP Training Instructor , Provide training for +1000 Engineer.
- Autodesk Certified Professional at **Revit ® Mechanical**

- Autodesk Certified Professional at **Revit ® Mechanical**

**ENGINEER: Abdelrahman Shawky**

- **Senior Mechanical Design Engineer** at **ECG Engineering Consultants Group S.A.**
- Former Mechanical Coordinator at **Orascom Construction.**
- **Former Mechanical Engineer** at **Metito Water Treatment.**
- **Instructor** at **RTW** (Ready to Work) program.
- **Instructor** at **UTW** (University to Work) program.
- **Coordinator** at **UTW** (University to Work) program.
- **Firefighting, plumbing & Revit MEP instructor.**
- **PMP@** Preparation Course-6<sup>th</sup> Edition

**ENGINEER: Almoataz Bellah Hassouba**

- Responsibilities at **Engineering Consultant group (ECG).**
- **Principal Mechanical Engineer** with **10+ years** of training and experience.
- **Mechanical BIM coordinator** to ensure that all BIM modelers follow standards.
- **Coordinator and instructor** in **UTW** (University to Work program).
- **Coordinator and instructor** in **RTW** (ready to Work program).
- **Fire fighting and plumbing instructor** since 2016 provide training for **+1500** Engineers.

**ENG: Mohamed Gamal**

- Responsibilities at **Engineering Consultant group (ECG)**.
- Principal Mechanical Engineer with **10+ years of training**.
- Coordinator and instructor** in **UTW** (University to Work program).
- Coordinator and instructor in **RTW** (ready to Work program).
- Coordinator and instructor in **PCE academy**.
- Fire fighting and plumbing instructor since 2016
- Mechanical engineer at **Emaco for general contracting**.
- Mechanical engineer at **Evic Europe consultant office**.

**ENG: Mohamed Samir**

- Team Leader at **Atrium Quality Contractor-TMG**.
- Team Leader Mechanical Engineer in **ECG** with 10+ years of experience
- Instructor in **UTW** (University to Work program) since 2015
- Instructor in **EGY CET Center** since 2016.
- Instructor in **QEC Academy**.
- Firefighting and plumbing instructor since 2015.
- Mechanical Technical Office engineer at **EL-EMAM for MEP contracting**.
- Mechanical engineer at **Ideal Group consultant office**.
